

Royal Mile Early Years 2018-19 Newsletter 6

Welcome back to nursery everyone we hope you had a safe and happy midterm break, some children have also had longer trips away to visit family and friends so we look forward to hearing all about these adventures too . A special welcome to the new boys and girls joining both the Carlton Hill and Castle Hill classes. We know everyone will join us welcoming them and helping them to settle in.

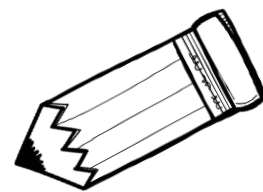

Thank you to those families who have already donated some loose parts after our appeal before the holidays. Please continue to look out for these and if anyone would like another copy of the letter and list just ask.

This month we will be focusing our learning on the people who help us after children began talking about doctors and nurses. Children will be encouraged to talk about who helps them and also look at who keeps them safe both inside and outside nursery. We then hope to spend some time looking at the first signs of Spring as we approach the Spring holiday in April.

Snack money should now have been paid through PARENTPAY please speak to a member of staff in nursery or at the school office if you have any difficulty paying this or accessing the system as these funds are important to buy snacks and also contribute to our upcoming Spring and Summer activities.

Finally, School Parent consultations will take place on Thursday 28th March. For children in the Calton Hill class there will times available during the week for you to speak with us about your child's learning. Please sign up for a time that suits you best.
