

Wednesday 13th January - Primary 1

 <p>exercise</p>	<p>Watch PE with Jo - LIVE at 9am https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ</p>
 <p>drink</p>	<p>Phew! That was hard work. Have a drink and get ready for maths.</p>
 <p>numeracy</p>	<p>This month the whole school is focussing on counting forwards and backwards</p> <p>Targets we want to meet in P1</p> <ul style="list-style-type: none">• Count forwards from 0 to 20• Count backwards from 10 to 0• Count 3 numbers forwards from any number to 20 (e.g count on from 15 = 16,17,18)• Count backwards from any number to 10 (e.g. count back from 7 = 6,5,4) <p>Challenge yourself if you can! Count from any number to 100! Today, try joining in with these songs</p> <p>Count forwards to 20 Count backwards from 20 Count on from any number to 20 Count to 100!</p> <p>Measurement continued... I have allocated some games on educationcity.com What items do you have in your kitchen that measure? Would you use the same thing to measure milk and flour? If you do any baking this week, have a think about why we measure.</p>
 <p>breaktime</p>	<p>Refuel! Now would be a good time to have a snack and a drink</p>
 <p>ERIC</p>	<p>Watch this funny story called Penguins Make Bad Pirates https://www.youtube.com/watch_popup?v=usMEVqz4CrU&t=1s</p> <p>Did you see how the penguin made the snow cone to cheer up the captain? What could you do to cheer someone up? (If you don't wish to watch the story, you may choose your own book or ask a family member to read you a story)</p>

Task 1: Phonics

Watch Miss Copeland write words that begin with **sh** - shop, ship, shut, shed.

<https://youtu.be/wEmcSYbT6iA>

Can you have a go at writing these at home? Using the whiteboard that came in your Bookbug bags would save paper and makes it easy to wipe away any mistakes 😊

Challenge: Try using the 4 words in a sentence. Remember your capital letters, finger spaces and full stops. Try *I went to the shop.*

Revise: Re-watch yesterday's lesson for the **sh** sound

https://www.youtube.com/watch_popup?v=TCOXgJ2Vag4

Over the next 4 weeks we will learn 4 Christian stories about Jesus.

The first is called The Miracle of the 5 Loaves and 2 Fish

<https://royalmileprimary.files.wordpress.com/2021/01/christianity-5000-miracle-of-5-loaves-2-fish-rme.pdf>

Answer the questions in the document 😊

What a busy morning! Time to refresh our brains and bodies.

project

Our class's continent is **Antarctica!**

Choose a **minimum of 1 activity** to complete. This grid will last for the whole project.

For families who have siblings you may notice our grid looks different. The questions are the same however I have re-worded some of them for Antarctica and added links to support.

Click here to see an [introductory PowerPoint to Antarctica](#) and/or watch this 3 minute video https://www.youtube.com/watch_popup?v=X3uT89xoKuc

<p>Head Teacher's Task - If you went to Antarctica what would you wear? Can you draw a picture or take a photograph of yourself ready to brave the freezing temperatures? Label your picture.</p>	<p>What is the flag of Antarctica? Can you create a picture of it? (this doesn't have to be a drawing).</p>	<p>The coldest recorded temperature in Antarctica was -89.6C! Can you invent a special piece of clothing that will keep you warm in Antarctica?</p>	<p>Click the link below to find out about different types of transport in Antarctica https://royalmileprimary.files.wordpress.com/2021/01/antarctica-transportation-vehicles-land.pdf Can you make a fact page about your favourite one and tell me why you liked it? You can make it on a computer or draw it on paper.</p>
<p>Research the animals you will find in Antarctica. For a bit of help, click here If you want to learn how to draw these animals, click the link below and follow the tutorials! Humpback whale orca Leopard seal Albatross Emperor Penguin Adélie Penguin</p>	<p>Make something to encourage people to visit Antarctica. It could be a video, poster or song! Be persuasive!</p>	<p>Look up images of an iceberg. Can you make a picture of one? (Draw, make, use snow, cotton wool) Did you know... What you see on the top is only a part of it? 90% of an iceberg is actually underwater.</p>	<p>Did you know there are Christian churches in Antarctica? Can you find out how many there are?</p>
<p>Explorers had to bring their own food to Antarctica. Do you remember how the bread went mouldy in our classroom? Explorers need to bring food that will last a long time without going bad. Try making these Antarctic Sledging Biscuits at home for an authentic Antarctic experience! https://www.coolantarctica.com/schools/antarctic_sledging_biscuit_recipe.php</p>	<p>What would happen if all of the ice melted in Antarctica? Did you know that because the world is slowly getting warmer Antarctica is slowly melting? What ways can we stop climate change? Here are two videos which might help Video 1 Video 2</p>	<p>Did you know that scientists have found volcanoes in Antarctica? Yes! 91 of them! Mount Erebus is one of the most active Volcanoes are very hot. What happens to ice when it melts? Try holding an ice-cube in your hand what does it turn into? What do you think will happen if the volcanoes erupt?</p>	<p>What sports or games are played on our continent? Did you know you can run a marathon in Antarctica? But that's not the only game played in Antarctica. Scientists have to spend a lot of time inside when the weather is bad outside. A bit like lockdown! Pick a game you can play inside. Can you write instructions how to play it?</p>
<p>Look at Antarctica on Google Maps or Google Earth. Draw a map of Antarctica and add on where the south pole is. This image might help</p>	<p>Did you know that lots of the buildings in Antarctica are on 'legs' to make sure they don't get stuck if lots of snow falls. Can you make a model of a building on legs? Try using Lego, playdough or cardboard.</p>	<p>Did you know no one lives on Antarctica all the time? Scientists from all over the world visit to do experiments. Learn to say hello in 3 new languages, so you can say hi to other scientists if you ever visit.</p>	<p>Last Year Primary 2 emailed a scientist called David Sugden who had actually been to Antarctica (15 times!) and we asked him some questions. You can read his answers by clicking here Can you think of 3 things you want to know about Antarctica that we could ask him?</p>
<p>Here is a book about Emperor Penguins which live in Antarctica https://www.youtube.com/watch_popup?v=nQHapPNr6zc Can you make a fact page with the information you hear?</p>	<p>Can you learn the words and actions to this song? Practise lots then ask a family member to film yourself singing along! https://www.youtube.com/watch_popup?v=eOXXPWs8qa4</p>	<p>Listen to this story https://www.youtube.com/watch_popup?v=aVnVM2CV29w Write me a letter or film yourself saying why you want/don't want to go!</p>	<p>Movie time! Watch this 23 minute documentary https://www.youtube.com/watch_popup?v=ydFZdu98oVc Afterwards, write 3 "Did you know?" facts about Antarctica.</p>
