

Playing and Learning at home with

Edinburgh Bear

Supporting you and your child

We know that playing and learning with your child at home is both a joy and a challenge, and Edinburgh Bear would like to join in.

Starting Monday 18th January Edinburgh Bear will share home learning resources with you on <https://www.edinburgh.gov.uk/nurseries-childcare>

There will be things to do indoors and outdoors, stories and games to share and lots of ideas and links to follow.

You can share the fun you have by posting pictures on twitter using #EdinBear or email your pictures to the setting your child would normally attend.

Keep safe with Edinburgh's Bear

It is important to keep safe while you are busy, so make sure that you always follow the all the guidance, including washing your hands and keeping your distance when you are out and about. For more information see [here](#).

Join in with Edinburgh Bear

New ideas and resources will be posted every week. If your nursery is closed, or if you are having to self-isolate, or if you are shielding, you will find things to do every week. At the end of each Sway there will be the chance for you to give us feedback and suggest things you would like to see in future.

More support and advice for families

You can find out about support and advice for families where you live including online safety, financial support and local voluntary organisations at www.edinburgh.gov.uk/coronavirus
