

P7 Home Learning Week Commencing 16th May 2022

Below is a summary of learning in class last week. This is to allow you to discuss previous learning with your child and to catch up on any learning missed. The activities listed in the final column are to be completed at home. Please complete tasks in your jotter, take photos of your completed work and upload them in assignment on Microsoft TEAMS due on 4th February. Thank you!
