

## P7 Home Learning Week Commencing 9<sup>th</sup> May 2022

Below is a summary of learning in class last week. This is to allow you to discuss previous learning with your child and to catch up on any learning missed. The activities listed in the final column are to be completed at home. Please complete tasks in your jotter, take photos of your completed work and upload them in assignment on Microsoft TEAMS due on 4<sup>th</sup> February. Thank you!

Subject	Learning Intention(s)	In Class Activities	To Consolidate at home
<p><b>Literacy</b></p> 	<p>-To revise spelling patterns</p> <p>-grammar revision</p>	<ul style="list-style-type: none"><li>- Practice words containing prefix co-</li><li>- Practising pronouns</li></ul>	<ul style="list-style-type: none"><li>- Please practise the suggested 8 words</li><li>- <b>Look, Cover, Write, Check <u>three times</u></b> Then choose a spelling activity</li></ul> <p>Please take a look at</p>  <p><b>EducationCity</b> and complete the games online and the tasks in your jotter.</p>

<p><b>Numeracy</b></p> 	<p>- ordering fractions</p>	<p>In class we have been revising fractions, decimals and percentages.</p>	<p>- Please find attached the pdf file and order the fractions in your jotter.</p>
<p><b>Topic</b></p> 	<p>- to share highlights of camp</p>	<p>I hope you had an amazing time away!</p>	<p>- Please write down your best bits – maybe we can use some highlights in our assembly. 😊</p>
