

Home Learning Wall for Monday and Tuesday

 [Watch this welcome from Miss Copeland](#)

How are you feeling?

The Colour Monster changes colour depending on how he is feeling. How do you feel doing learning at home? Try drawing the Colour Monster and colouring it how you are feeling. I wonder why you feel that way?

Monday and Tuesday's letter sound is t.

[Click here to watch the RWI lesson](#)

Can you make the letter t?
You could use sand, mud, flour, pencil, paint, toys, Lego, playdough!

You should already know the letters...

Treasure Hunt

Can you find things in your house that begin with t? What about m, a, s and d?

Sing along

- [Letter t song](#)
- [Alphabet song](#)
- [Happy and you know it](#)
- [Counting forwards to 20](#)
- [Counting backwards from 20](#)

Play a board game

Try playing a board game like [snakes and ladders](#) at home. How many dots on the dice?

Lost your dice? [Click](#)

[here for a random dice roll](#)

Play number tennis

With a partner, take it in turns to count forwards and backwards.

How high can you go?

Can you start on random numbers instead of 0 each

time? Try [sequencing](#) the numbers in [this game](#)

Dot to dot

Try playing this online dot to dot game (you need to go back to 1 when finished)

<https://play-dot-to.com/>

or try [printing/editing photos to join the dots home](#)

Pink is for Boys

[Listen to this story.](#)

Boys and Girls can like the same colours, toys and activities. Do you think boys be nurses? Can girls be firefighters? Have a chat with your grown-ups.

Patterns

Make a repeating pattern using things from around your house. e.g shoe, fork, shoe, fork.

If you go for a walk, can you make a pattern with nature? Stick, stone, stick, stone?

[Play this game](#) to finish the pattern or [create your own](#)

These colours are bananas

What is your favourite colour? Why?

Can you make a poster showing all of the things you can think of that are that colour?

You could draw it or make it on a digital device.
